Characterizing the District Tubercular Added to this, patients were allowed to loss Hospital as a death trap and a diagrace to the city. Dr. W. Robert Perkins, of the Westchester, last hight defended the address delivered by Mrs. Medill McCormick before the Woman's Welfare Department of the National Civic Federation, in which whe described conditions at the institution as deplotable.

ed conditions at the institution as deput-able.
"Mrs. McCormick, in reporting the de-plorable conditions existing at the Tu-berculosis Hospital." said Dr. Ferkins, "has done the poor unfortunates who are compelled to submit to treatment there a real service. There is no doubt in my mind but what her report is also-lutely correct, in spite of the efforts of the ones responsible for the unanitary conditions at the institution to white-wash facts."
